

### The no-subject Obj di-V passive structure

E.g.

- |                                     |  |
|-------------------------------------|--|
| Sosis dipotong                      | - Sausage (is) cut                     |
| Sosisnya dipotong                   | - The sausage (is) cut                 |
| Pertama, sosisnya dipotong, lalu... | - First, the sausage (is) cut, then... |

### The imperative base-V Obj-nya structure

E.g.

- |                       |                         |
|-----------------------|-------------------------|
| Potong sosisnya       | - Cut the sausage       |
| Lalu, potong sosisnya | - Then, cut the sausage |

**A. Video: *Sarapan Telur Sosis*. Compose a voice over for the video (70-80 words) in Indonesian describing the ingredients and cooking process. Use the no-subject passive structure, the imperative structure and the *Kosa kata* below to help you.**
